• Qualified ENERGY STAR Products Rebate

Program Description:

This program provides monetary incentives for the purchase of qualified new high efficiency Energy Star rated products that use less electricity than standard units of comparable size. Energy Star is a voluntary partnership between the U.S. Department of Energy, the U.S. Environmental Protection Agency, product manufacturers, local utilities, and retailers. Partners help promote efficient products by labeling them with the Energy Star logo and educating consumers about the benefits of energy efficiency.

Program Guidelines:

- This program is available to the City of Banning residential electric customers.
- There is a cap of \$500 per customer account per calendar year for items in Table -1
- Product must be **ENERGY STAR** rated.
- Following the purchase and installation of the new qualified ENERGY STAR rated product, complete and return the application to: **City of Banning, Public Benefits Department, 176 E. Lincoln Street, Banning, CA 92220** or Email to PublicBenefits@banningca.gov
- A copy of the dated **sales receipt** containing product description, make and model of the purchase, and a copy of the **yellow EnergyGuide tag**, must be attached to the application. If the yellow energy guide tag is not available, sufficient documentation must be provided to prove Energy Star compliance.
- The application and supporting documentation must be submitted within 180 days of purchasing the product in order to qualify for a rebate.
- Rebates will be given to all qualified applicants submitting proper paperwork.
- Rebates will be paid to the electric customer of record only. The name on the invoice must match the name on the electric customer account.
- Rebates will be issued within **6 to 8 weeks** after verification of submitted paperwork.
- Rebates of \$500.00 or less will be applied to the customer’s electric account.
- Program will continue provided funds are available.
