NOTICE IS HEREBY GIVEN of a public hearing before the City of Banning Planning Commission, to be held Wednesday, December 1, 2021, at 6:30 p.m. in the Council Chambers, City Hall, 99 East Ramsey Street, Banning, California, to consider Design Review No. 21-7008 and Tentative Parcel Map No. 38164, a proposed mixed-use industrial/retail development on approximately 37-acres of a 47-acre parcel within the Sun Lakes Village North Specific Plan, as amended (the "Project"). The Project includes a shell industrial building measuring 619,959 square feet, which includes 10,000 square feet of office space. In addition, the Project proposes six (6) retail/restaurant buildings totaling 34,000 square feet. The tentative parcel map will subdivide the 47-acre parcel into three (3) lots, for financing and conveyance purposes, within the Sun Lake Village North Specific Plan Area. Pursuant to the California Environmental Quality Act (CEQA) and the CEQA Guidelines, the Community Development Department has considered the potential environmental impacts of the Project. Community Development Department staff has also reviewed the Final Environmental Impact Report (FEIR) for the "Sun Lakes Village North Specific Plan Amendment No. 5" project certified by the City Council on December 8, 2020 (Resolution 2020-141) and the Statement of Overriding Considerations and Mitigation, Monitoring, and Reporting Program (MMRP) adopted by the Council on the same day, including the impacts and mitigation measures identified therein. Based on that review, the Community Development Department has determined that the Project and the circumstances under which the Project is undertaken do not involve substantial changes which will result in new significant environmental effects, and the Project does not involve new information of substantial importance which shows that the Project will have significant effects not discussed in the prior FEIR. All potential environmental impacts associated with the "Sun Lakes Village North Specific Plan Amendment No. 5" project and the Project are adequately addressed by the prior FEIR, the Statement of Overriding Considerations, the MMRP. Therefore, in accordance with CEQA Guidelines Section 15162 (Subsequent EIRs and Negative Declarations), a Notice of Determination (NOD) has been prepared for the Commission to consider in conjunction with the Project.
