NOTICE IS HEREBY GIVEN of a public hearing before the City of Banning City Council. This notice corrects the previously published date of Tuesday, June 26, 2018; the public hearing will instead be held on Tuesday, July 10, 2018, at 5:00 p.m. in the Council Chambers, City Hall, 99 East Ramsey Street, Banning, California, to consider Tentative Tract Map No. 37298 to subdivide approximately 199 gross acres of vacant land property for the purpose of creating 264 single family residential lots, 1 lot for future medium density residential development, 1 lot for future medium density residential development and future park, 2 commercial lots, 1 school lot, 1 lots for a park, 15 lots for open space, and public streets, all within the Butterfield Specific Plan area. The property is located north of Wilson Street and east of Highland Springs Avenue, within the Butterfield Specific Plan area. Assessor's Parcel Numbers are identified as 408-120-001 through -05, 408-120-007 through -009, and portions of 408-120-006, -010, -012, 019, and -020, within the City of Banning.

Potential environment issues associated with the proposed Tentative Tract Map were analyzed in the previously certified Environmental Impact Report for the Butterfield Specific Plan project (SCH No. 2007091149) as modified by the Addendum approved by the City Council on February 14, 2017, which documents are on file in the Community Development Department. There have been no substantial changes in the project nor in the circumstances under which the project is undertaken which will require major revisions of the previous environmental document; nor is there new information that shows that the project will have a significant environmental effect or an effect more severe than originally thought. Therefore, in accordance with CEQA Guidelines Section 15162, a subsequent environmental document is not required.
