I hereby certify that by submitting this application for Fast Track status I understand and will comply with Board of Supervisors Policy A-32, Procedures for Fast Track Processing, including the following items:

1. The Fast Track applicant will hire construction contractors and other development-related consultants that are based in Riverside County whenever possible, and;
2. The Fast Track applicant will give hiring preference to individuals who have served in the United States armed forces or who have been unemployed for 6 or more months due to economic conditions.

Applicant Name and Title (use electronic signature or type information)	Date
--	-------------

This authorization contains preliminary project information and serves as a basis for determining "Fast Track" eligibility. During the City's development review process, the proposed project size and configuration may be altered. *This Fast Track Authorization also applies to any other required or associated applications and/or Assessor's Parcel Numbers*
