

## COMMERCIAL ELECTRICAL LOCKOUT FORM

\_\_\_\_\_  
*Party responsible for electrical service onsite*

\_\_\_\_\_  
*Position of responsible party*

\_\_\_\_\_  
*Name of company*

I \_\_\_\_\_ do hereby request electrical release at the construction project at located \_\_\_\_\_, in the City of Banning. I understand that by signing this document that I am accepting responsibility for the electricity at this project and that branch circuits on this project will only be energized by myself for testing and security purposes. I understand that the electrical systems on this project may not be complete and I may put others in danger by energizing certain circuits without supervision.

I agree that the electrical breakers and switchgear must always remain locked and that only the above listed responsible party will retain the keys for this equipment. By signing below I hereby accept responsibility for any injury or damage which may occur as a result.
